## Interstate-505 in Solano County Overnight Lane Reductions and Ramp Closures 5 Consecutive Nights Starting Sunday, September 30, 2018 Paving Work

**SOLANO COUNTY**— The California Department of Transportation (Caltrans) will perform overnight paving work on approximately 10 miles of Interstate-505 (I-505) in Solano County. The work will result in a smoother and safer drive for motorists.

Crews will pave northbound and southbound I-505 between the I-505/I-80 Interchange in Vacaville and the Solano/Yolo county line.

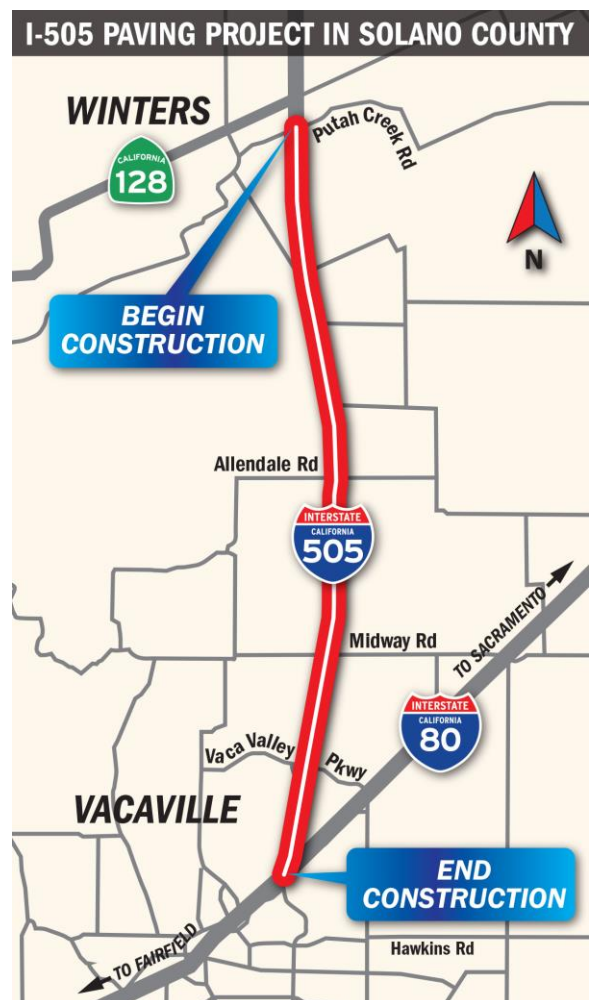

### Work Starts Sunday, September 30, 2018 at 6:00 PM

The work is scheduled each night starting Sunday, September 30 until Thursday, October 4. Work on Northbound I-505 starts each night at 6:00 PM until 10:00 AM the next mornings. Work on Southbound I-505 starts each night at 6:00 PM until 2:00 PM the next day.

To ensure worker and public safety, one of two lanes of northbound and southbound I-505 may be closed overnight. One lane in each direction of I-505 will remain open at all times.

Also, various on and off ramps on I-505 may be temporarily closed during the overnight hours. No two consecutive ramps will be closed at the same time. Detour signs will be posted.
